CSCA and particularly the International Symposium Committee is looking forward to welcoming everyone to this special event.

Clumber Spaniel fanciers from all over the world gather every three years to learn, socialize and be entertained by talks, Clumber viewing and a number of fun activities.

We expect as many of you as possible to join us. We have a great and informative key note speaker and of particular interest will be the Breeders Roundtable with participation from many countries represented. As a teaser... from the U.S. we have Doug Johnson and Helen Marshall. Please send in questions you would like discussed at the roundtable.

We also expect other clubs to provide reports of activities since the last I.S.

To adequately plan the final details we need to know exactly who will be attending. PLEASE email me ASAP – clumberug@aol.com

– to tell me your plans. The reservation can be filled in later.
Thank you all and we can't wait to see you. – Ricky Adams,
Chair.
