We want to note that Frode, the Clumber belonging to Kathy and Steven (#103), was Best of Breed at the trailer shows in Albany over the weekend and passed the hunt test on Monday so he had a great weekend!

The park was beautiful and before the tests everyone gathered in an old schoolhouse for a great breakfast sponsored by Ben and Karen Hoyle. Lewis made scrambled eggs! The weather cooperated. It was a bit rainy in the early morning but by 9:00 AM the sun came out and the rain stopped. A huge **thank you** to Carol Reeves for chairing the event, Sarah Beaird for being the secretary, the judges, track layers and the CSCA members who attended for making this such a successful test!

Again, special thanks to John Mullen, Park Manager
