

## ***CSCA 2008 Yearbook Corrections***

The following is the list of corrections to the 2008 Clumber Spaniel Club of America Yearbook. The corrections came from a variety of sources including the yearbook committee, members who submitted incorrect information initially as well as club members who recognized errors on their pages or other pages. In compiling these corrections, the committee also found errors in some club source documents.

The committee has made recommendations to the club that hopefully will cut down on errors in future yearbooks.
