Life members must be 18 years of age or older, who are in good standing with the American Kennel Club and who subscribe to the purposes of this Club. These members shall be eligible to vote and to hold office, but are not required to pay dues. Any Club member in good standing may nominate persons for this type of membership. The nomination must be sent to the current secretary for forwarding to the full Board, whose decision of which shall be final.

Membership is open to both residents of the United States and persons who reside outside the United States, regardless of citizenship; however, members who are not residents of the United States are not eligible to vote unless they were admitted to membership prior to the adoption of these Bylaws, as amended by the membership and their approval by the AKC in or about 2010/2011. Members who were admitted to membership prior to the adoption of these Bylaw, as amended by the membership and their approval by the AKC in or about 2010/2011 are eligible to vote, but are not eligible for election as an officer, director or AKC delegate.

(b) There shall be three types of non-voting membership:

Associate Membership: Associate membership shall be open to all US citizens eighteen years of age or older who subscribe to the purposes of this Club and who wish to assist the Club in pursuing its objectives. No sponsors will be required so it is open to individuals who are unable to secure the sponsorship of two CSCA members required for Regular membership. Associate members cannot vote (not counted in a quorum) and are not eligible for election as an officer, director or AKC Delegate. They may not be added to the Breeder Referral List and they may not sponsor applicants for membership or chair committees. Associate members will not receive USPS correspondence. Associate
members may choose to change to Regular membership at the next renewal period provided all eligibility requirements are met. (December 2013, SMSH).

**Junior Membership:** Open to all persons 10 through 17 years of age, who subscribe to the purposes of this Club. Junior members may convert to regular membership upon reaching their 18th birthday. Junior members cannot vote and are not eligible for election as an officer, director or AKC delegate.

This class of membership is to recognize special service to the Club or to the breed rendered by a person outside the Club or the breed. **Section 2 Dues**

(a) Membership dues shall be assessed annually for all Regular, Associate and Junior members, and shall be payable on or before the 1st day of January of each year. Dues for members residing outside the United States may include an additional assessment, as determined from time to time by majority decision of the Board, to cover any additional expenses, including but not limited to mailing costs.

(b) No member may vote whose dues are not paid for the current year. Dues received from new members on or after October 1 will be considered to include dues for the ensuing year. A request for payment of dues shall be published in the Club bulletin in the last issue of each calendar year and a statement may be sent to each member by regular mail and/or electronic mail, as determined from time to time by majority decision of the Board. “Regular mail” and “mail” are defined herein as mail sent through the United States Postal Service (USPS). Use of electronic mail is dependent upon each member’s written authorization.

**Section 3 Election to Membership**

(a) Each applicant for membership shall apply on a form as approved by the Board, which shall provide that the applicant agrees to abide by the Constitution and Bylaws of this Club and the rules and regulations of the American Kennel Club. (b) By lapsing. A membership will be considered lapsed and automatically terminated if such member’s dues remain unpaid March 1. In no case may a member vote whose dues are not paid for the current year. If a member wishes to be reinstated after March 1, a $10.00 administrative fee will be charged. If a member allows his/her membership to lapse for a calendar year said former member must reapply on an approved application form and pay the full dues required.

Voting by proxy shall not be permitted. In the case of a household membership each individual shall be permitted one vote. The Board may submit other specific questions for decision by the members by written ballot cast by regular mail or sent through a board approved electronic balloting service in accordance with AKC’s procedure on Electronic Balloting for AKC Parent Clubs.

(c) In 2011, or in the first year after the adoption of these Bylaws, as amended, by the membership and their approval by the AKC, if the approval process is not completed prior to the 2011 elections, Class I members shall be nominated and elected for terms of two years or until their successors are elected and Class II members shall be nominated and elected for terms of one year or until their successors are elected, subject to the removal provisions of Section 4 of this Article. Thereafter, all Club officers, directors and the AKC Delegate shall be elected to serve for two years or until their successors are elected, unless earlier removed from office under the provisions of Section 4 of this Article.

(d) The Nominating Committee should consider geographical representation of the membership of the Board, to the extent that it is practical to do so. To aid the Nominating Committee in its task, the Secretary shall provide each committee member with a current list of all Club members in good standing, to include information as to whether they are residents of the United States and the type of membership they hold, a list of the names of officers and directors noting their current terms of service and a copy of the sections of the Bylaws pertaining to the duties of the Nominating Committee.

(e) The Nominating Committee shall submit its slate of candidates by May 5 to the Secretary, who shall direct a Secretary’s assistant to send the list, including the full
name of each candidate and the name of the state in which he or she resides, by regular or electronic mail (with the member’s written authorization), to each member of the Club on or before May 15 so that additional nominations may be made by the members if they so desire.

(f) Additional nominations of Club members who are in good standing, are residents of the United States at the time of nomination and are otherwise eligible for election as set forth in Article I, may be made by written petition for each nominee addressed to the Secretary and received at the Secretary’s regular address on or before June 15, signed by 10 members in good standing for each nomination and accompanied by written acceptance of each additional nominee signifying his or her willingness to be a candidate.

(g) No person shall be a candidate for more than one elected office or position. No person holding an elected office or position that is not expiring may be a candidate for any other elected office or position without first resigning his/her current elected office or position. Additional nominations, which are provided for herein, may be made only from among those members who have not accepted a nomination of the Nominating Committee.

(h) When the Nominating Committee nominates candidates for the Board and/or one or more valid additional nominations are received by the Secretary on or before June 15, the Secretary shall direct a Secretary’s assistant to send, by regular mail or sent through a board approved, independent organization which specializes in electronic balloting, on or before June 20, to each member in good standing a ballot listing all of the nominees for each position in alphabetical order as follows: Nominee Name and name of his/her State of residence; if the process is handled manually with regular mail, an envelope will be marked only with the word “BALLOT” and a return envelope bearing the member’s name and address in the upper left-hand corner.

For a manual ballot process only to insure the ballots remain secret, each member shall:

1. Mark the ballot.
2. Seal same in the ballot envelope marked “BALLOT”.
3. Place the ballot envelope inside the enclosed, pre-addressed return envelope.
4. Mail the sealed outer envelope with the enclosed sealed ballot envelope.
5. Ballots must be received on or before July 20.

For electronic balloting, the process must provide the ability to keep votes secret. The voting process must be completed on or before July 20.

(i) For a manual ballot process only: The Secretary or a Secretary’s assistant shall present all unopened ballot return envelopes to two additional inspectors for a total of three inspectors. These inspectors shall be members in good standing of the Club, who are not candidates on the ballot and whom the Board has approved. The inspectors of the election, prior to the opening of the outer ballot envelopes and
removal of the sealed pre-addressed return envelope marked “BALLOT,” shall check all returns against the list of eligible voters, thereby certifying the eligibility of the voters. The inspectors then shall count the votes and certify the results of the election.

For electronic balloting, the process is handled by the service with oversight by the Secretary or a Secretary’s assistant.

The person nominated for each office and for AKC delegate receiving the greatest number of votes shall be declared elected for those offices and delegate positions; the top two (Class I) or top three (Class II) persons nominated to be directors who receive the greatest number of votes shall be declared elected as directors.

(j) The results of the elections shall be announced on the Club’s web page, on the Club’s members-only Internet message board or by other electronic means, as determined by Board policy.

Section 4 Removal of Club Officer, Club Director, or AKC Delegate

(a) Club officers, directors or the AKC Delegate may be suspended or removed, for cause, by a 2/3 vote of the Board. “Cause” shall include, but shall not be limited to, misconduct, neglect of duty or violation of the Club Constitution and Bylaws, all as determined in the sole discretion of the Board voting on the suspension or removal.

(b) No final action under this section shall be taken until the officer, director or AKC Delegate has been advised of the specific proposed action in writing, has been given 30 days from the time the notice of action is received to prepare and submit a written response to the Board, and has been afforded an opportunity to address a quorum of Board by either teleconference or in person, at the election of a majority of the entire Board. If the officer, director or AKC Delegate subject to suspension or removal fails to timely respond and/or elects not to appear before the Board, those rights shall be considered waived, and the Board may proceed to take final action.

(c) An officer, director or AKC Delegate shall automatically be removed from office if the individual ceases to be a member in good standing of the Club. The Board may summarily remove any officer, director or AKC delegate who is suspended from all privileges by the AKC or who is suspended or expelled under the provisions of Article VI.

(d) Club officers, directors or the AKC Delegate may be removed, for cause, by the Club membership. “Cause” shall include, but shall not be limited to, misconduct, neglect of duty or violation of the Club Constitution and Bylaws. The Club membership may seek to remove an officer, director, or the AKC Delegate by filing a petition for removal with the Board, which must include at least 20% of signatures of all those voting in the election for the affected office in the preceding general
election. Once the petition is filed with the Board, a general vote will be conducted in accordance with this article within two months of the filing of the petition. A Club officer, director or AKC Delegate will be immediately removed from office if 2/3 of the votes cast are in favor of removal.

(c) The Board shall fill any resulting vacancy in accordance with the provisions of Article III, Section 3. Any appointment shall be published to the membership in the same manner as set forth in Section 3(g) of this Article.

ARTICLE V
Committees

Section 1
The Board may each year appoint standing committees to advance the work of the Club in such matters as dog shows, hunting, tracking, obedience and Rally, trophies, annual prizes, membership and other areas which well may be served by committees. Such committees shall always be subject to the final authority of the Board. Special committees may also be appointed by the Board to aid it on particular projects.

Section 2
Any committee appointment may be terminated by a majority vote of the full membership of the Board upon written notice to the appointee and the Board may appoint successors to those persons whose service has been terminated. The terminated committee member shall be notified by the Secretary of his/her termination by way of written notice within 10 days of the Board decision. The Board may appoint a successor to the vacant committee position and shall have the Secretary notify the proposed successor in writing within 10 days. If the new appointee accepts the committee position they must do so by written notice to the Secretary within 30 days.

ARTICLE VI
Discipline

Section 1 American Kennel Club Suspension
Any member who is suspended from any of the privileges of the American Kennel Club automatically shall be suspended from the privileges of this Club for a like period.

Section 2 Charges
(a) Any member may prefer charges against a member for alleged misconduct prejudicial to the best interests of the Club or the breed. Written charges with specifications must be filed in duplicate with the Secretary together with a deposit of $25.00, which shall be forfeited if such charges are not sustained by the Board or a Board committee, as set forth below, following a hearing. The Secretary shall promptly send a copy of the charges to each member of the Board, or present them at a Board meeting.

(b) The Board shall first consider whether the actions alleged in the charges, if proven, might constitute conduct prejudicial to the best interests of the Club or the breed. If the Board considers that the charges do not allege conduct which would be prejudicial to the best interests of the Club or the breed it may refuse to entertain jurisdiction. If the Board entertains jurisdiction of the charges, it shall fix a date of a hearing by the Board or a committee of not less than three members of the Board, not less than three weeks nor more than six weeks thereafter. The Secretary shall promptly send one copy of the charges to the accused member (hereinafter “defendant”) by registered mail, together with a notice of the hearing and the assurance that the defendant may personally appear in his/her own defense and bring witnesses if he/she wishes.

Section 3 Board Hearing

(a) A Board Hearing under this article may be held by videoconference by teleconference or in person, in the sole discretion of the Board.

(b) The Board or Board committee shall have complete authority to decide whether counsel may attend the hearing, but both complainant and defendant, shall be treated uniformly in that regard.

(c) Should the charges be sustained after hearing all the evidence and testimony presented by the complainant and defendant, the Board or Board committee may by a majority vote of those present reprimand or suspend the defendant from all privileges of the Club for not more than six months from the date of the hearing. If the Board or Board committee deems a suspension insufficient, it may recommend to the membership that the penalty be expulsion. In such cases, the suspension may extend beyond six months, until the next annual meeting, at which the expulsion will be considered, as provided for in Section 4 of this Article. The suspension shall not restrict the defendant’s right to appear before his/her fellow members at the ensuing Club meeting which considers the recommendation of the Board or Board committee.

(d) Immediately after the Board or Board committee has reached its decision, its findings shall be put in written form and filed with the Secretary. The Secretary, in turn, shall notify each of the parties of the decision and penalty, if any

Section 4 Expulsion

Expulsion of a member from the Club may be accomplished only at the Annual Meeting of the Club following a hearing and the recommendation of the Board or Board committee as provided in Section 3 of this Article. The defendant shall have the privilege of appearing on his or her
own behalf though no evidence shall be taken at this meeting. The President shall read the charges and the findings, and recommendations, and shall invite the defendant, if present, to speak in his/her own behalf. The membership shall then vote by secret written ballot on the proposed expulsion. A 2/3 vote of those present and voting at the Annual Meeting, as set forth in Article II, Section 1, shall be necessary for expulsion. If expulsion is not so voted, the suspension shall stand.

ARTICLE VII
Amendments

Section 1

Amendments to the Constitution and Bylaws and to the Breed Standard may be proposed by the Board or by written petition addressed to the Secretary signed by 20% of the members in good standing. Amendments proposed by such petition shall be promptly considered by the Board and must be submitted to the members with recommendations of the Board by the Secretary for a vote within three months of the date when the petition was received by the Secretary.

Section 2

The Constitution and Bylaws and the Breed Standard may be amended at any time provided a copy of the proposed amendment has been sent by regular mail by the Secretary to each member in good standing on the date of the mailing accompanied by a ballot on which he/she may indicate his/her choice for or against the action to be taken. The notice shall specify a date no less than 30 days after the date of mailing by which date the ballots must be returned to the Secretary to be counted. The favorable vote of 2/3 of the members in good standing who return valid ballots within the time limit shall be required to effect any such amendment. To assure the secrecy of the vote, the dual envelope procedures outlined in Article IV, Section 3, shall be followed.

Section 3
