HAVE YOU SEEN A DOG THAT LOOKS LIKE THIS IN YOUR LOCAL SHELTER?

WEIGHT: 55 to 80 pounds. The Clumber Spaniel is the heaviest of all the Spaniel breeds.

HEIGHT: From 17 to 20 inches.

COLOR: Always white in color, but can have markings on the face and ears in orange (like a Brittany Spaniel) or lemon (similar to a blonde Cocker Spaniel). The nose is shades of brown, never black! Freckling on the legs and/or face is very common. Other markings may include a patch of color on the body or just above the tail.

COAT: Feathering is very similar to a Springer Spaniel.

TAIL: In the majority of cases has been docked, however some carry a full tail similar in feathering to a Golden Retriever. When docked, the tail is very thick, and longer than a Cocker Spaniel's.

TEMPERAMENT: Clumbers are usually sweet and mellow in temperament.

Clumbers are often mistaken for a mixed breed because they have a long body like a Basset Hound, a large head with droopy eyes like a Saint Bernard, and a soft facial expression similar to other Spaniels.

If you or anyone in your organization comes across a Clumber in your local shelter, OR should you have questions about a dog that may resemble a Clumber, please call Sue Carr at (978) 559-7544, or the local contact listed above. We will respond quickly and will be available to offer any assistance you may require.
