

## Come celebrate the HOLIDAYS with us at Clumber Fun Games 2021!

No clumber? No worries – we always have plenty loaners who will be happy to play with you! Fun Games is FREE (supported by generous donors), requires NO athletic or training ability, and is a great way to meet fellow Clumber folks. Truly everyone laughs and plays on equal footing at this event. With a nod to Donna Starr and in fond memory of Phyllis Potterfield we continue what has become ‘the tradition’.

Questions welcome!

\*donations welcome, too. Some of the supplies need to be replaced since the National didn't happen last year.
