

CLUMBER SPANIEL CLUB OF AMERICA

Top Ten Event Rules

The Clumber Spaniel Club of America (CSCA) offers a Top Ten event to showcase excellence in the Clumber Spaniel dog. This event provides special recognition to those Clumber Spaniel dogs with the most outstanding records as well as their breeders, owners and handlers.

The inaugural event took place at the 2018 CSCA National Specialty in Portland, Oregon.

This event is an optional part of the CSCA National Specialty and serves many purposes. It offers education for breeders, exhibitors, fanciers and judges. The event offers all who attend a chance to view top dogs in the breed. The Top Ten event provides an incentive for breeders to strive for excellence in conformation, movement, structure and temperament.

4. Participants will be given instructions regarding when to be ringside, where to wait, and specific ring/judging procedures.

Attire for the Top Ten Event: This event is considered to be a formal event and as such formal, gala type attire is encouraged to be worn at the event, both by attendees and handlers. Costuming or props of any kind, but not limited to, anything worn on the dog are prohibited. There shall be NO extraneous props for the handler, as well. This event is about showcasing the dogs and their road to this prestigious Top Ten event. The dogs themselves should be showcased alone in a manner similar to any other AKC conformation event.

Judging Procedure:

1. After all Top Ten competitors are viewed in the ring as a group, each dog will be judged individually. Each dog, as determined in exhibition order, will enter the ring and pose for "First Impression." Judges assign a score of 1-10 (10 being the highest) at this time to be used only in a case of tie points using the breed standard. The dog will then be moved down and back, and in a circle while all three judges watch, and the judges will score the dog for movement. The dog will then be examined and scored completely by the three judges, each judge touching and examining the dog as he/she sees fit. The dog will then circle the ring and exit. This process will be repeated until all dogs have been scored.
2. All dogs will be scored by each judge using the scale of points as provided in the AKC approved standard for the Clumber Spaniel.
3. Immediately following the completion of judging, the judges' marked (but not tallied for total scores) sheets will be turned over to an independent and impartial person or persons to be tabulated. The scores for each dog, from each of the three judges, are added together, then divided by three (3) to determine the dog's average score.
4. The winner will be determined on the basis of the average score of each dog. The score sheets and the identity of the winning dog will be given to the Top Ten Chairperson and awarded at the Event that evening.
5. In the event of a tie, the winner is determined by consulting the First Impression total. The dog with the highest First Impression total is declared the winner. The First Impression score is used ONLY to break a tie, and is not included in tabulating the average score. If there is still a tied score, the judge panel will meet to determine the winner.
